

Learning and Assessment Plan

This learning and assessment plan outlines how this unit or cluster of units will be delivered and assessed. The schedule of learning topics, assessments and the due date for assessments is included.

Qualification National Code & Title	ICT50220 Diploma of Information Technology (Front End Web Development)
Delivery Period	Semester 1 2024
Cluster Title (if applicable)	Customise CMS

Unit/s National & WA Codes	Title of Unit/s
OBS15 ICTWEB513	Build dynamic websites
OBS14 ICTWEB514	Create dynamic web pages
OBS09 ICTWEB521	Customise complex ICT content management systems
You can access the full unit/s of competency here www.training.gov.au	
Delivery Location/s Campus/Room/Online	Northbridge Campus – See Office 365 Timetable for Room and Time Online - https://blackboard.northmetrotafe.wa.edu.au

Student Learning Resources, Text, Equipment (Required/Optional)

Required Text Editor (at least one of):

- Visual Studio Code, for both PC and Mac
- Notepad ++
 - Sublime is an alternative for mac.
 - Brackets is also available for Mac as well as PC.
- PhpStorm is available for both Mac and PC.

Browser at least 3 of the following–

- Browser with Developer Tools:
- Google Chrome for Mac or PC – Latest version.
- Firefox – Latest version – **Preferred Browser**,
- Edge – Latest version,
- Safari - Latest version

Laragon, XAMP, LAMP or MAMP installation;

Blackboard Shell: blackboard.northmetrotafe.wa.edu.au Cluster – Customise CMS

College to supply: Blackboard Shell blackboard.northmetrotafe.wa.edu.au

Learning and Assessment Plan

Lecturer Name	Phone	College Email	Contact Times	Campus / Room
Anthony Evans	9427 1014	anthony.evans@nmtafe.wa.edu.au	Appointment available on request	TBA

Assessment Summary

Assessment	Assessment Title	Due Date
Assessment 1	Task 1: Create your own child theme in WordPress Task 2: Create your own theme in WordPress	Session 5 Session 10
Assessment 2	Project – Real life client Project(s)	Session 17

You will receive more detailed instructions on each assessment in the Assessment Tools. Ask your lecturer for any detail if required.

The regular learning requirements to develop the skills and knowledge for this unit are outlined below. Please refer to your timetable for session times.

Please note: This plan is to be used as a guide and may be adapted to meet the needs of students. You will be notified of changes as they occur.

Your training will include **structured in and out of class activities*** to be completed for this unit

**Out of class activities may include (☑)*

- | | |
|--|---|
| <input checked="" type="checkbox"/> lectures or tutorials, online tasks and forums | <input checked="" type="checkbox"/> workshop activities |
| <input checked="" type="checkbox"/> assessments (when integrated with learning) | <input checked="" type="checkbox"/> projects, assignments |
| <input type="checkbox"/> workplace experience | <input checked="" type="checkbox"/> prescribed follow-up activities |
| <input checked="" type="checkbox"/> prescribed reading and research | <input type="checkbox"/> other (please specify) |

Learning and Assessment Plan

Recognition of Prior Learning (RPL) / Credit

You may be eligible for Recognition of Prior Learning (RPL) / Credit towards your studies. If you have relevant existing skills, knowledge, or formal qualifications. Please discuss available options with your lecturer.

Reasonable Adjustment

We recognise that every student has different learning styles and needs. Please let your lecturer know if there is anything that may have an effect on your learning so they may be able to adjust your plan.

Results and Appeals

Students may lodge an appeal against an academic result. Appeals must be lodged within four weeks of the date of your statement of academic record being issued. Please contact the Student Experience Team relevant to your portfolio area.

Absences

If you are unable to attend any class or assessment session you must inform your lecturer as soon as possible.

If you miss an assessment due to illness, please provide your lecturer with a medical certificate in order to negotiate an alternate time for the assessment.

Plagiarism

Plagiarism is using another person's ideas and words without clearly acknowledging the source of the information. It is not acceptable to submit an assessment that is based on another person's work and claim it as your own. If you submit an assessment that is significantly or recognizably the same or similar in content as submitted by another student (current or past) you may have to submit another assessment.

Assessment Resit/Resubmission

You shall be permitted to have at least two attempts to demonstrate competency against a unit of competency or cluster of units of competency.

To qualify for re-assessment:

- you must have made a reasonable attempt to complete the assessment satisfactorily
AND
- you must have submitted the original assessment by the due date
OR
- you must have attended and participated in the original assessment event

In the case of a re-assessment opportunity, your lecturer will give you a due date for your second attempt. Should you not achieve a Satisfactory result on the second attempt, you will need to re-enroll (R) in the unit.

Be aware, in certain situations there are limited reassessment options (such as one-off Performances and Exhibitions).
